Want to send feedback? Please submit a comment or report a bug at [What's this?](#) Why should I give this game a shot? Learn all about Shoppy Mart: Steam Edition and why you should take advantage of this on sale! What is this edition of Shoppy Mart? Shoppy Mart: Steam Edition is an indie retail game (RSS Feed) that puts you in the shoes of a cashier and requires you to handle hundreds of customers as they shop for groceries. Do you like running through retail stores with nothing but a smile on your face? Do you like staying up until 2 am debugging weird bugs and answering customers' questions about that weird bug? Are you a shopping and grocery addict who loves waking up at 5 am just so they open at 6? Do you want to interact with real customers all day and learn about them? If you answered "yes" to any of these questions, then Shoppy Mart is the game for you. Why should I buy Shoppy Mart: Steam Edition? This edition of Shoppy Mart is priced much lower than the regular retail price (because we are full-time developers and have no income from the game; only sales) so you can buy Shoppy Mart at a great price and still get all of the same great features as the retail edition. Not only does this edition include all of the future updates that the regular retail edition will receive, but it also includes the amazing community of over 3,000 (and counting) players that you can

**Overview** What is the Border AgencyA Board game shows how the new border agency will do its job of stopping crime and rescuing potential immigrants. Players race to stop swat teams and illegal immigrants from escaping before they make it over the border. Law enforcement officers stop illegal immigrants from crossing the border in their cars and boats. Immigration officers and SWAT teams stop illegal immigrants from entering the U.S. illegally. Your job is to outmaneuver and outfox your opponents. However, your closest opponent is you! In Aesthetic Arena your goal is to plan your strategy before your opponent and prevent him from escaping his prison and making it over the border. Rules For every illegal immigrant you stop in your marked car, you earn 1 point. You earn 2 points for every illegal immigrant you stop in a boat. Win by scoring more points than your opponents. You must land your illegal immigrant if the game ends. They are not free to leave your prison once they arrive on the board. The first player to 5 points wins! The game is all about strategy. It is not about luck or social status. Note: Some players may prefer to play two against one. With the Aesthetic Arena you can only play two players against the game. How to Play Before beginning, players should agree on the number of illegal immigrants that each player will allow to cross the border. A reasonable strategy would be to allow the

---

opponent to cross as many illegal immigrants as possible. **Warning** Make sure to keep track of the number of illegal immigrants you have counted on your turn. **Castle** Castle is the 1st figure that you land on. It controls the first character of each set of rafts that you land on. Stop any illegal immigrants you land on. Earn 2 points for each illegal immigrant you stop in your marked car and a free escape of 1 move. Some types of rafts may not rescue illegal immigrants. The rafts in the upper left will hide illegal immigrants. These always start on the same spot. The swamp yurt will keep illegal immigrants from being rescued. **Swamp Yurt** The rafts start on this castle, which can only be used for landing illegal immigrants. **Swamp yurt** Land an illegal immigrant on the swamp yurt on a marked card. You score 2 points for the illegal immigrant you landed on. Make sure
